Corona beer. There are no cases in Ohio at this time. There have been 19 million cases of the flu this year in the United States. Dave explained how the flu virus and the Corona virus are transmitted to humans. He also explained the reason an Emergency has been declared; by doing so that gives the Health Commissioners the power to quarantine individuals if it is necessary. The Corona virus can not survive on packages from China no threat in opening them. Dave suggest going to [Lorain CountyHealth.com](http://LorainCountyHealth.com) for more information on this issue and not going to Facebook for information.

Community Development: Don Romancak: Time to start working on Community Development Block grants for next year. Community Housing Impact Program contact Linda Blanchette for assistance. Don is hoping North Ridgeville will join the Program this year, that would bring the total available funds to approximately 1.3 million dollars. Hannah Kiraly, Planner II, is a new employee working with county planning and has GIS expertise.
